

Mobile Youth Hub

The Youth Centre continues to support safe and positive engagements, activities and opportunities for Young People across Bracknell Forest.

Working in partnership with Bracknell Forest Council, Bracknell Town Council and Crowthorne Parish Council and local schools, we deliver across schools and the community to engage with and support youth participation and development.

Youth Work in the community

- Engaging with young people and the community
- Organising activities and events
- Create Safe Spaces for young people

Mobile Youth Hub

Community-based youth work operates without the use of a building or activity and takes place where young people "are at" both geographically and developmentally. It delivers informal and social education and addresses whatever needs are presented to or perceived by the youth worker. As Detached Youth Workers have no physical building or specific activity, the relationship between young person and youth worker is entirely voluntary and constantly up for negotiation and review. This work may be used to

- Create new opportunities and inform young people of services that exist in their local community
- Being a bridge between young people and community or partner-based opportunities for them to engage in.
- Identify the individual and collective needs of young people within that area and promote and empower a positive youth voice.
- Challenge behaviour of young people and through discussion and reflection, promote social education and understanding for the young people.
- Encourage positive engagement and support Young People, local agencies and police to prevent negative labelling and behaviours occurring or developing.
 - Youth workers to encourage youth voice and participation.

"it is great having your team in the community, my child feels much safer when out in the area" (Parent/Carer)

"I have enjoyed the activities and would get involved in more" (Young Person)

"my son loved the BMX competition, it is great for them to be involved in such activities" (Parent/Carer)
