Dear Parent/Carers

White lab coat for Chemistry A level Experiments

In the course of studying A level chemistry, students will be carrying out a number of experiments which will entail following technical procedures and using chemicals. Thus, we believe that it is good laboratory practice to wear a lab coat and we recommend that students purchase their own, which they can keep in the department. The school can offer both new or repurposed lab coats for sale at £17.80 or £5.10 and the size range is:

S (chest size 92-96 cm)

M (chest size 100-108 cm)

L (chest size 112-116 cm)

If you would like to purchase a lab coat for your child, please fill in the slip below and return it to school reception by **Friday 25th September 2026**.

We are keen to support all pupils in school and do not wish pupils to be disadvantaged due to financial hardship. Should you have any concerns or queries regarding the payments for these resources please do not hesitate to contact the office who will be happy to help you. All information will be treated in the strictest confidence.

Please use the online payment system to pay for this if possible. If you have not created an account, you should have received a letter with your pupil link code and guidance on creating the account. If you need a copy of this letter or if you would like the payment to be taken from your existing Scopay balance, email finance@edgbarrowschool.co.uk. If you do not use online banking, or prefer to pay by cheque, please would you make the cheque payable to Edgbarrow School, write your child's name, tutor group and 'A Level Chemistry' on the back and return it to the school office.

Yours faithfully

Mr Law
