Dear Parents / Carers

It has been such a wonderful few days welcoming the Year 7's to Edgbarrow; the smiles, determination to find their way around school and the friendliness towards each other has been outstanding. Each and every one of them has taken a big step in the last two weeks but appears to have embraced it completely.

It is important that they continue to approach the year in a positive and determined manner, remaining focused, being attentive in class and completing all work set to the best of their ability. The form tutors and I have high expectations of the year group and I would like to thank you for your continued support in helping to organise them; ensuring that they have the correct uniform and equipment and making sure that they arrive on time.

You will now have been sent your log in details for ClassCharts and SIMS, please do contact us if you have not received these. ClassCharts is where you are able to see day to day activities (attendance, timetables and homework) and check behaviours (positive EDG points and sanctions). Your child's tutor and I will be checking ClassCharts regularly and look forward to rewarding all the positive behaviour throughout the year.

We strongly believe that the time spent at school is not just about the subject lessons and we will be encouraging your child to attend lunchtime and after school [co-curricular sessions](#). Please take time to discuss these at home, as we are doing in tutor time, and encourage your child to try out any they are interested in. Involvement in such activities gives them opportunities to discover their talents, widen their interests and show their abilities as leaders, innovators and team players. These qualities will be valuable as they approach the world of work.

All of the key dates for the year can be found on the school calendar using the following link; however, please be aware these are subject to change throughout the year, so I would encourage you to regularly look at the school calendar using the following link:

<https://www.edgbarrowschool.co.uk/calendar/>.

Please note that, due to the Sixth Form Open Evening on Thursday 8th October, there is a late start for students on Friday 9th October. Students are expected on site for a 9.15am start and should go straight to Period 1.

Please note all the school information regarding homework, absence reporting, uniform and mobile phone rules, etc can be found on the school website – www.edgbarrowschool.co.uk

During their time at Edgbarrow students may be directed by their subject teachers toward certain apps/websites to enhance learning, these are outlined on the school website under this link, <https://www.edgbarrowschool.co.uk/Online-Resources/>

We know how daunting it is for both the students and yourselves as they start a new school and we appreciate all the support you have given us in helping your child settle. I look forward to working with you and your child as they develop into young adults. Please do not hesitate to contact us if you have any concerns ([contact information](#) is also available on the website).

Yours faithfully

Mr R Dangerfield
Head of Year 7
