Dear Parents/Carers

Maths Equipment

To support your child starting at Edgbarrow with all the correct equipment, we sell resources through the mathematics department.

- **Filled pencil case** **£4.10**
(Contains black pen, blue pen, green pen, red pen, 2 pencils, 15cm ruler, rubber, pencil sharpener, pair of compasses, angle measurer, glue, scissors and 2 highlighters)
- **Casio Scientific calculator (FX-83GT CW)** **£9.35**
- **Casio Scientific calculator (FX-85GT CW+)** **£11.15**

Items are sold at cost price and are subject to change in September.

To purchase maths equipment from the school, please complete the online form found [here](#) and arrange payment as soon as possible.

Please use the online payment system to pay for this if possible. If you have not created an account, you should have received a letter with your pupil link code and guidance on creating the account. If you need a copy of this letter, email finance@edgbarrowschool.co.uk. If paying online, the amount will show as 'zero'; please enter the total you want to pay, i.e., £4.10 or £9.35 or £13.45 or £15.25. If you do not use online banking or prefer to pay by cheque, please make it payable to Edgbarrow School. Write your child's name, tutor group, and 'Maths Equipment' on the back. For cash, please use a named envelope and return it to Reception.

If the form is completed and payment is made by 1pm on Friday, 26th June, your child will be given their equipment on the induction days, 1st and 2nd July. If the payment is received after the deadline but before 5pm on Tuesday, 7th July, we will have this available for collection at the parent information meeting on Thursday, 9th July. Any online forms received after this date will be processed and ready for the first day of school in September. The mathematics department sells individual items throughout the year, and students can purchase equipment from the Maths office.

Yours faithfully

Denise Holloway
